

NOTEWORTHY

Ellis

● **LaRene Ellis**, who grew up in Coalville, and her publisher, Gathering Place, have donated 300 first-edition copies of the first volume in Ellis' "Stones' Quest" science-fiction novel series, "**Stones' Quest: In Search of Its Master**" (2004), to middle and high schools in the 40 Utah school districts, as well as all six branches of the Salt Lake Public Library.

The book, geared to teenagers and young adults, is described as a combination of "Star Wars" and "Lord of the Rings." Five more volumes are planned for the series.
