548 pages, \$19.95, Paperback

ISBN: 0-9754622-0-2

**Stones' Quest: In Search of Its Master** is the first book in a new series about the great search of the Stones. The Master Stones had left the galaxy when Ghonllier was a baby and were predicted to return someday. When the Stones returned, they would rule the galaxy again through a man. Suzair the Great was searching for these Stones so he could destroy them in order to rule the galaxy. Ghonllier was shocked to discover that he was the one chosen to be the Master of the Stones. He was also shocked to discover who Suzair the Great really is. Will Rhonllier accept or deny being the chosen one? What will Suzair the Great do once he discovers that Ghonllier is the new Master of the Stones? What other surprises are in store for Ghonllier?

This is a tale filled with mystery, spaceships and spies and a war between good and evil. Any science fiction fan will be engrossed with the adventures and magic which are an extensive part of this story. The end of this first book in the series will make you anxious for the next book which will be entitled **Stones' Quest: The Battles Begin**.

**Stones' Quest! In Search of Its Master** can be found at your local bookstore, by writing to the publisher at the above address or by visiting the website at [www.StonesQuest.com](http://www.StonesQuest.com).
